# OARC Elected Officers and Appointed/Volunteer Positions Tenure

## OARC Elected Officers Tenure

(Tenure dates as of 2021-2022 fiscal year)

Have you ever wondered about your club officers and their dedication to the club over the years and their years of service as an elected club officer?

Well I have and the subject came up recently at the club board meeting as we discussed the upcoming officers elections. So I did some research going back to 2004, which is when the club took a turn in focus from the years gone past and when the club website and Watts News newsletter were established as we know it today. The following is what I found. Shown below are those that have served as a club officer for 3 years or more.

By the way, any member is invited to attend the OARC board meetings which are held about 4 times per year, on an as needed schedule. Ask any club officer if you are interested in attending.

Also, in the past there were several others that served either 1 or 2 years as a club officer. Refer to the picture archive at the top of this article above.

## OARC Appointed/Volunteer Positions Tenure

In addition, several members have served over the years or still are serving in a non-elected appointed or volunteer position doing essential jobs that help keep the club functioning.

At least three or four times a year Richard Morrison W7RIK, Gil Leonard NG7IL and Jason Miles KE7IET conduct the Weber County VE Test Sessions that have provided for many new hams to join the ranks of Amateur Radio in our area.

Our thanks to Mike Fullmer KZ7O and Scott Willis KD7EKO are our repeater engineers that keep our repeaters operational.

Val Campbell K7HCP volunteered to be the club equipment manager (14 years) and the club webmaster, newsletter editor and membership clerk (17 years +++).

Kent Gardner WA7AHY volunteered to be the club historian and librarian which will preserve our place in history.

Kathy Sutton K8RYN volunteered to be the club photographer and Rick Hansen N7EGA is our assistant photographer.

Pete Heisig WB6WGS volunteered to be our QSL manager.

Larry Griffin AD7GL is our club call sign (W7SU) trustee.

Stan Sjol is our Club Elmer.

All previous club Presidents act as advisors to the board for at least one year following their release from the top position: Gary Liptrot N7ZI, Mike Fullmer KZ7O, Kent Gardner WA7AHY, Kim Owen KO7U, Larry Griffin AD7GL and Gil Leonard NG7IL and Jason Miles KE7IET. Others volunteer act as board advisors on an ongoing basis.
