

May Centennial Events

This past weekend, May 15 and 16th, was a tremendous success. I thank all the many people who volunteered their time, effort, and expertise to pull off this special event. Both locations had lots of fun activity and the ladies really helped adding contacts to the HF logs.

The pot luck was a really tasty event. No one was left hungry and the shared dishes were some of the best yet.

Check the web page and sign up to operate or help setup at either location this coming weekend. Many hands make short work. There will be plenty of time for anyone to take a turn at the radio. Remember, we will have control operators standing by so anyone licensed or not can participate.

W7SU/100 Downtown Ogden, 25th and Grant, Saturday May 22, 2021

Saturday May 22nd, 07:30 to 13:30

Saturday is the Farmers Market which will bring a lot of people out.

Stan, WOKP, has offered to ensure this area gets setup and on the air.

Opportunities to help out include:

- Meet and greet the public.
- Answer questions about amateur radio.
- Share the history of our club.
- Share their personal story of why they got involved in Ham radio.
- Demonstrate how our repeaters work and make contacts through the repeater.
- Demonstrate Wires-X. Selected demonstrations.
- Promote good will and friendship towards all visitors that stop by.
- Keep a log of all W7SU/100 contacts.
- Pass out club tri-fold leaflet to interested parties.

While at the table greeting visitors, we must practice Covid Restrictions. (Supplied by Club)

- Have sanitary wipes or spray to wipe down the table and equipment
- Have hand sanitizer available for use.
- Wear a mask while interacting with visitors.
- These rules are required as part of the contract we signed with Ogden City.

W7SU/100 Remote HF Station Location

Saturday and Sunday May 22, 23

Saturday and Sunday May 22nd-23rd.

Address: 3895 W 400 S, Ogden. (West Weber 84404), North side of road.

41°15'34.8"N 112°04'28.4"W

Dave, KD7GR, has offered to ensure this area gets set up. He will need help with:

- Set-Up an HF station. 07:30 Saturday.
- Tear-Down an HF station. 13:00 Sunday.
- Set-Up and operate UHF/VHF to guarantee contact for the Downtown Ogden operators.
- Sign up to operate HF and log contacts for W7SU/100.

Activities to include.

- Operation of the special event station W7SU/100.
- Some overnight camping.
- Pot-Luck dinner. Club to provide BBQ grille. Somewhere between 5 and 6 pm.
- Campfire?
- Good Time.

Bring with you.

- A smiling face.

- A willingness to jump on the air.
- Eating utensils.
- Your own meat.
- A side dish to share. Veggies, salad, or desert.

We should practice appropriate social distancing.

There will be plenty of opportunity at both locations for everyone to participate.

HF Home Station Operation - during the week of May 16th – 23rd

During the Week, members can operate using the Club Callsign W7SU/100 following the privileges provided for your license class.

A complete log must be kept and submitted to the club webmaster within 1 week after the event of sooner. Download a blank log sheet from the club website homepage.

See club website for complete details.
