

## WHO MAY PARTICIPATE?

This event is open to all currently licensed amateur radio operators.

### GOAL

The goal of this event is to have fun, exercise our license privileges, become more familiar with our repeaters, make new friends, become more comfortable with our radios, and have fun.

### OBJECTIVE

Collect a maximum of 5 playing cards, one from each of 5 different dealers to create a poker hand.

It is possible that a player may not be able to collect 5 cards.

### How TO Play:

Each player can attempt to collect up to 5 cards.

Each player may *only request* one card from each dealer.

**No** other requests for cards from the same dealer will be allowed.

It is the players responsibility to contact each of the five dealers to request a card.

Card request *must* be initiated by the player only.

No request for cards are allowed during any net activity.

Cards not requested or claimed will be out of play and will not be re-issued.

All cards issued will be tracked by the Dealers via a shared Google Sheet.

Winner will be determined at the April Club Meeting listed below.

### New: Wild Card

During the Club meeting, an additional card will be drawn from one of the dealers.

The Rank of this card will be wild and all hands drawn that have a matching Rank card will be able to use this card as a Wild Card. Example: if the 3 of Clubs is drawn, all 3's are now wild regardless of suit.

REQUEST A CARD

A call, by radio, must be initiated by the player to each dealer in order to receive a card. To receive a card, the player and the dealer must exchange the following information.

Callsign, name, and a specific request for a playing card.

New:

In anticipation of a large participating group: Dealers will have multiple decks of cards available.

WILD CARD!

During the Club meeting, an additional card will be drawn from one of the dealers.

The Rank of this card will be wild and all hands drawn that have a matching Rank card will be able to use this card as a Wild Card. Example: if the 3 of Clubs is drawn, all 3's are now wild regardless of suit.

April 13, 2020 thru April 17, 2020

Dealers can be contacted at any time they are available, regardless of time of day.  
Dealers may listen for card requests on any of the 4 club repeaters at any time.  
No operating schedule will be provided.

REPEATERS

Mt. Ogden	448.600 (-)	PL 123
Mt. Ogden	146.900 (-)	DCS 125
Little Mountain	448.575 (-)	PL 100
Little Mountain	146.820 (-)	PL 123

WINNER

The winner will be decided based on the highest hand presented at the meeting location.  
A winning hand does not have to contain 5 cards.  
Standard 5 card poker hand rankings will apply.  
It is possible a 2-card hand may outrank all other hands.  
Actual Cards will **NOT** be available at the meeting location.  
Cards not requested or claimed will be out of play and will not be re-issued.

---

The participant holding the highest hand attending the On The Air Club Meeting, will be presented with the Grand prize. **\$50 Cash**

A second prize will be awarded to the Lowest hand. **\$25 Cash**

A drawing will be held for the third prize. **\$25 Cash**

**To collect any prize, the players must participate in the Saturday meeting.**

In the event of a tie hand, each player will choose a dealer and receive the next available card. Highest card will be the winner.

---

MEETING LOCATION

The Ogden Amateur Radio Club will meet:

Saturday April 18, 2020

9:00 AM

On The Air Club Meeting

448.600 repeater

All amateur radio operators are encouraged to participate. Last years event was a lot of fun and we will have a lot of fun this spring, even if we can't have an eyeball meeting. If you have an interesting story to tell while participating in this event, make some notes and be ready to share it during the On The Air Meeting.

## Note to Dealers :

Dealer should be available for contact on all 5 days.

It is recommended Dealers are available a minimum of 2 hours per night during the event between the hours of 4:00pm and 10:00pm.

Dealer should plan on attending the Club Meeting on April 18, 2020 .

Dealer is responsible for keeping track of cards issued to player by callsign and name via shared Google Sheet.

Dealer will be given a log sheet and a list of the cards available.
